FUN DIVE "Looking for the Mystery Fish!"

Join us for a fun dive at Lake Tahoe. We had a great time last year at Lake Tahoe's "The High Sierra Divers Buoyancy Course". So we decided to do another dive event at Tahoe and get a bunch of divers together for a fun family time.

There is a rather large concrete fish submerged in Lake Tahoe just off shore in the Patton Beach Area. Supposedly a relic left over from a miniature golf course was sunk in the lake and today it makes an amusing dive site.

Here is your chance to practice your altitude skills and view what most think of as an urban legend.

Be sure and bring an underwater camera and have

your buddy take a picture of you with the fish.

We will have a potluck B-B-Queue like usual. Bring the whole family for a nice day in the sun and enjoy the clear waters of Lake Tahoe.

Event takes place at Patton Beach on Saturday June 19, 2010. Meet there @0930 am

Driving Directions: Take I80 to Truckee and then Hwy 89 to Tahoe City. Continue through Tahoe City for another 6 miles until you see Sierra Boat Works on the right. Patton Beach is located just past Carnelian Bay on Highway 28 which goes

Relaxing at Lake Tahoe

through Tahoe City.

Please call and let us know you are going to join us for this fun event.
